Studying in Istanbul

Istanbul has a wonderful location spanning the European and Asian continents across the Bosphorus strait. Throughout history, this unique location made Istanbul politically, commercially and culturally a very important city. Once the capital of the Byzantine and Ottoman empires, Istanbul has grand historic monuments, a commercial culture that is still very much alive and a cosmopolitan culture that welcomes all.

About IAU

Istanbul Aydın University (IAU) is a non-profit and state-recognized foundation university. It was established in 2003 offering vocational programs of higher education. It became a university in 2007, delivering bachelor's and graduate programs. The university has grown rapidly, opening new facilities, increasing the number of its student and staff. IAU now offers a wide range of academic programs in order to meet the demands of the labor market in the global economy.

IAU Interners Week Event

IAU hosts and takes part in many international events to share knowledge, experiences and best practices with partner universities.

Among them, each year, we organize the IAU International Partners Week Event, dedicated to colleagues involved in international relations management of their universities as well as to colleagues managing short term programs and international students' recruitment.

Participants have the possibility of combining the participation to this event with the participation to EURIE - Eurasia Higher Education Summit, the third biggest annual higher education summit in the world. Contact: erasmus@aydin.edu.tr international@aydin.edu.tr

ERASMUS+ AT IAU

Istanbul Aydın University has a long-established tradition of welcoming Erasmus+ students from universities all around the world onto our programmes. Our established links with over 340+ Erasmus+ partners widens opportunities for students and staff.

Erasmus+ Program supports worldwide university cooperation, thus allowing staff and students to conduct research, teach or study and get training in one of IAU's numerous prestigious partners around the World.

Our Florya Campus offers contemporary study facilities, support services, cafeterias and entertainment in one of the most attractive university campuses in Istanbul.

IAU offers you a wide range of subjects at the associate vocational, undergraduate and graduate levels, with ECTS credits that you can easily transfer back to your degree program at your home University. ECTS information package: http://ebs.aydin.edu.tr/

Nonnated students can opt to study at IAU for either one or two semester depending on the terms and conditions of the inter-institutional agreement between our Universities with entry points in September and February.

We will provide comprehensive administrative, academic and welfare support for the duration of your Erasmus+ study and training period. There is a full orientation program upon arrival with sessions and free of charge Turkish language courses specifically designed for Erasmus+ incoming students.

Since 2017, IAU has also received several Erasmus+ grants within the International Credit Mobility (ICM) scheme, thus allowing students and staff coming /going to Jordan, Morocco, Iran, Indonesia, Azerbaijan, Canada and USA to receive Erasmus+ support grants. IAU is open to explore cooperation opportunities with institutions outside the EU space as well.

Most preferred foundation university in Türkiye...

Our unique combination of industry links, internationally recognized contemporary programs and outstanding technologies make IAU the leading and the largest foundation university in Türkiye. IAU is established to produce an inquisitive, educated and innovative population that is focused and driven to succeed. With the biggest Technology Center in Türkiye established in one complex, university hospital, notable Social Sciences Research Centers, Incubation Center and the curriculum-as experience approach, IAU is open for research in Engineering, Social and Medical Sciences, exchanges of innovative practices and students and staff mobilities. We invite students to discover their path towards a bright future by joining our programs as well as international universities to become part of our family in our quest for educating tomorrow's generation.
